Summer Ecological Experience Developing Self-sufficiency

Rustic Roots' summer camp for campers aged 9 through 16 years. August 2nd through August 13th, Monday through Friday, 8am to 12pm

- Daily farm-to-table meals prepared by campers.
- Learn to identify, grow, and cook nutritious foods plants.
- Hands-on animal husbandry experience caring for chickens and goats. Learn about bee-keeping and the important roles farm animals play.
- Gain deeper understanding of food sources, food distribution, and food access issues.
- Deepen one's sense of personal responsibility to oneself, to community, and to the land.
